NOW, THEREFORE, the parties agree as follows:

ARTICLE 2 – CHECK-OFF AND INDEMNIFICATION

- A. An employee may authorize in writing to the Township Clerk his desire to have deductions made from his compensation for the purpose of paying uniform Association dues.

ARTICLE 4 -- MANAGEMENT RESPONSIBILITY

A. It is recognized that the management of the Police Department, the control of its properties, and the maintenance of order and efficiency are solely the responsibilities of the Township. Accordingly, the Township retains the following rights, except as specifically provided in this Agreement including, but not limited to, selection and direction of the force; to hire, suspend or discharge for cause as provided herein; to make reasonable and binding rules which shall not be inconsistent with this Agreement; to assign, promote, transfer, or demote as provided herein; to determine the amount of overtime to be worked; to relieve employees from duty because of lack of work or for lack of funds; to decide on the number and location of facilities; to determine the work to be performed, amount of supervision necessary, equipment, methods, schedules, together with the selection, procurement, designing, engineering, and the control of equipment and materials; and to purchase services of others, contract or otherwise.

B. It is understood that full-time employees will consider their position with the Township as their primary job. Any outside employment must not interfere with an employee's efficiency in his position with the Township or constitute any conflict of interest.

Bernards Township Superior SOA
January 1, 1999 - December 31, 2001

C. Employees recognize that the Township is interested in amicably resolving any differences or disputes concerning the terms and conditions of employment.

D. Adequate procedures having been provided for the equitable settlement of grievances arising out of this Agreement, the parties hereto agree that:

grievance, and (2) requesting from the New Jersey Public Employment Relations Commission a list of arbitrators from which the parties shall select an arbitrator.

H. The arbitrator shall be limited to the issues presented and shall have no power to add to, subtract from, or modify any of the terms of this Agreement.

I. The decision of the arbitrator may be reviewed by a court of appropriate jurisdiction in the manner prescribed by law.

J. Any fees or administrative charges for the arbitrator shall be borne by the parties equally. Witness fees and other expenses shall be borne by the parties respectively.

K. Unless extended by mutual agreement in writing, the failure to observe the time limits herein shall constitute abandonment of the grievance.

L. An appeal from a disciplinary determination shall not be a part of this provision.

ARTICLE 11 -- DISCIPLINE PROCEDURE

A. The Township may discipline employees only for misconduct or disobedience of rules and regulations and in accordance with this provision and applicable law.

B. Disciplinary action against employees (hereafter the "Respondent") includes removal, fine, reduction in rank or position, and shall be initiated by written complaint.

C. The complainant shall file said complaint with the Township Administrator and simultaneously serve copies upon the Police Chief and Respondent.

D. Said complaint shall specify the disciplinary charge or charges and shall notify the Respondent of the date, time, and place of the hearing, which shall be not less than ten (10) nor more than thirty (30) calendar days from the date of service thereof upon the Respondent, pursuant to N.J.S.A. 40A:14-147, unless one party requests an adjournment, which shall not exceed forty-five (45) calendar days. A failure to comply with said provisions as to the service of the complaint shall require a dismissal of the complaint.

E. The hearing shall be before the Chief of Police unless he is the complainant or took part in the investigation leading to the complaint. He shall function as the trier of fact and he shall sustain or dismiss the charge or charges, based upon the record established at the hearing. Should the Chief of Police be disqualified as cited above, the hearing shall be before the Police Captain.

F. The complainant shall have the burden to prove each disciplinary charge by a preponderance of the evidence.

G. The complainant and the Respondent may examine and cross-examine witnesses, retain counsel, offer evidence, and obtain reasonable discovery.

H. The Hearing Officer shall issue a written decision within fifteen (15) days of the review

setting forth his findings of fact and conclusions of law.

I. Should the disciplinary charge be sustained by the Township Administrator, the Respondent may obtain a review thereof by the Somerset County Court in the manner prescribed by law.

J. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Out of these contacts may come questions concerning the actions of the members of the force. These questions may require investigation by superior officers. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

1. The interrogation of an employee shall be at a reasonable hour, preferably when the employee is on duty. If it is required that the employee report to headquarters on his off-duty hours, he shall be compensated on an overtime basis as set forth in this Agreement.

2. The employee shall be informed of the nature of the investigation before any interrogation commences, including the name of the complainant. The information must be sufficient to reasonably apprise the employee of the nature of the investigation. If the employee is to be questioned as a witness only, he shall be so informed at the initial contact.

3. The complete interrogation of the employee shall be recorded mechanically. There will be no "off the record" questions. All recesses called during the questioning shall be recorded.

4. The employee shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal, or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions.

5. If an employee is under arrest or is the subject of an investigation, he shall be so advised that he is under investigation, and shall be given his rights pursuant to current decisions of the

U.S. Supreme Court.

6. In all cases and at every stage of the proceedings, the Department shall afford an opportunity for the employee, if he so requests, to consult with counsel, consultant, and/or his Association representative(s) before being questioned concerning any violation or complaint of any type, which may result in any action being taken against said employee.

7. No complaint against a law enforcement officer shall be investigated unless the complaint be duly sworn to before an official authorized to administer oaths.

ARTICLE 12 -- REIMBURSEMENT FOR POLICE CONNECTED EXPENSES

A. Employees shall receive and the Township shall pay for all expenditures, not otherwise compensable by the Township, incurred by employees, and job-related functions such as grand jury duty, petit jury duty, and municipal court duty. A function is job-related if it is caused by or results from the performance of police duties and is not otherwise remunerated. For the use of a personal automobile on police-related activities, the Township shall pay an amount per mile, plus parking and tolls. The amount shall be reviewed annually by the Township and discussed with representatives of the Police Superior Officers' Association, and will be consistent with the Township's mileage reimbursement policy annexed hereto as Schedule A.

B. The Township shall pay mileage for a return home each evening by an employee assigned to multi-day training programs, provided the training program is held at a location equal to the distance between Bernards Township and the State Police Academy at Sea Girt, or less. For the initial training period at Sea Girt, reimbursement will be made for one round trip per week, unless a holiday is granted, necessitating two round trips.

C. When employees are involved in training programs outside of the Township, the Township's policy on meal reimbursement will apply, which policy is annexed hereto as Schedule A.

Bernards Township Superior SOA
January 1, 1999 - December 31, 2001

ARTICLE 13 -- COURT ATTENDANCE

A. Employees not otherwise performing police duties who are required to attend Court shall be entitled to receive and the Township shall pay remuneration at the rate of time and one-half the applicable regular pay. A minimum of four (4) hours of such rate shall be guaranteed members covered by this Agreement.

B. Effective January 1, 1999, employees not scheduled to work shall receive two (2) hours compensatory time for each day on call for Superior Court and not called to testify.

ARTICLE 14 -- HEALTH PROGRAMS

A. The Township shall maintain all present hospital and medical insurance programs to which Superior Officers are presently beneficiaries. If opting for an HMO program, Superior Officers will pay the differential in premiums if higher than the standard plan. During times, if any, when the differential is less than the standard plan, Superior Officers will receive a credit bank against any obligation which occurs under the program from January 1, 1988 and thereafter. The maximum for chiropractic services shall be \$1000.

B. If, for some reason, an employee does not wish to be covered by said insurance programs, he shall not be entitled to receive the cash equivalent in lieu of the premium.

C. The Township shall continually investigate a more comprehensive group hospital and medical insurance program and, if such a program is adopted for other Township employees, it shall automatically apply to Township superior officers, provided substantially equivalent benefits and coverages are contained.

~~D. The Township shall provide for complete physical examinations for several superior officers each year, to be distributed on an age basis; for officers 40 years or older, every second year; and for officers under 40 years, every third year. The components to be included in the medical examination shall be reviewed by representatives of the Association and will be consistent for each examination conducted at a clinic to be arranged by the Township. Additional testing, examinations, or treatments recommended by this examination will be followed up by the officer under the provisions of the Medical Insurance Programs provided in this Agreement. Officers will follow recommendations of the doctors with respect to health habits. Effective January 1, 1998, employees must use their medical plans for their yearly physical. If the plans do not cover examinations which are required by the Township, the~~

Township will be responsible for the cost.

E. The Township shall provide for each employee on a voucher reimbursement basis expenses incurred for an eye examination, prescription lenses, and frames up to \$200 every twenty-four (24) months.

F. An employee may opt out of Township health coverage if the employee or employee's spouse has other health coverage. In lieu of receiving this coverage, the employee will receive \$1,000 in December of each year prorated for the number of months the employee is not covered under the Township health plan. If the employee's substitute coverage lapses (i.e., retirement, termination), the Township agrees to cover the employee at its own expense through COBRA, until the employee can rejoin the Township Health Plan, up to the cost of the standard plan, or any funds the employee has in the bank as per Paragraph A above.

G. The Township shall provide dental insurance to all bargaining unit employees. The employee may cover his/her family with a payroll deduction authorization. Once enrolled in family coverage, the participation must continue through the coverage contract.

ARTICLE 15 -- SICK LEAVE AND DISABILITY

A. An employee who sustains job-related sickness, injury, or disability shall be entitled to remain absent from duty and to receive full regular pay for the period of necessary recuperation or until he become eligible for long term disability under the provisions of the plan provided by the Township annexed hereto as Schedule B. Any payments so made shall be reduced by workers' compensation benefits received by the Superior Officer.

B. A sickness, injury, or disability is job related if it is caused by or results from the performance of police duties.

C. For all employees employed prior to January 1, 1979, or who were given prior service credit, the following base of sick leave days is available plus the number of days subsequently accumulated from January 1, 1979 to December 31, 1986 (15 days annually less any days taken). I. Upon return to work after an absence of five (5) or more consecutive tours, the employee must furnish the Chief of Police with a physician's statement certifying his fitness to resume his normal work.

J. Failure to return to work after the Chief of Police has reviewed the physician's certificate and is satisfied that the Superior Officer is fit to resume his normal duties constitutes cause for discipline or discharge.

K. The Association agrees to cooperate with the Township in reducing absenteeism to as low a rate as possible. When cases of absenteeism are brought to the attention of the officers of the Association, said officers will interview such employees covered by this Agreement, determine the cause of the absenteeism, and thereby aid in eliminating unnecessary absenteeism.

L. Quarterly, the Township Administrator shall provide the Association with a table indicating sick leave available to each member of the Association, sick leave used during the year, and sick leave available for the current year.

M. Each employee will have available annually twenty-four (24) hours of personal time. These will be granted at the discretion of the Chief of Police for the conduct of essential personal business such as, but not limited to, the following:

It is not the intent of personal time to either extend vacation or be taken for personal rest and relaxation purposes. Circumstances requiring personal time must be communicated to and approved by the Chief of Police with these provisions.

N. Incentive Payment on Retirement:

Upon retirement the Township will make a cash payment of fifty (50%) percent of all sick leave earned from January 1, 1986 forward, less the amount taken.

EXAMPLE: Employee has five (5) years to work before retirement in 1993. Employee has the good fortune of having forty (40) hours of duty illness during that time. Employee earns 480 hours of sick leave.

SCHEDULE A

**TOWNSHIP OF BERNARDS
POLICY ON CONFERENCE ATTENDANCE AND TRAVEL
Revised November 8, 1990**

(NOTE: Revisions to the 1988 Policy Noted in Underlining)

The Township will provide reimbursement for travel, lodging, meals and registration expense for employees and officials to attend approved conferences of professional associations and/or the New Jersey League of Municipalities. Other non-listed conferences and training seminars are encouraged where budget appropriation is adequate and prior authorization has been given by the Township Administrator. The following conditions will apply:

1. "Approved" means it has been presented to and authorized by the Administrator before registration or applications are submitted.
2. Registration fees for the conferences will be paid in full by an approved Township voucher.
3. Cost of hotel lodging will be paid in full by the Township at the designated "conference hotels" or equivalent lodging. This will include appropriate gratuities for service personnel of the hotel. Efforts will be made to utilize economy rated rooms where offered and available. Advantage will be taken of conference discounts and, where feasible, room sharing.
4. Meal expense will be reimbursed by the Township on a per diem basis, not to exceed \$40 per day. Unit allowances for meals will be \$25 for dinner, \$9 for lunch, and \$6 for breakfast. Meal functions that are part of the conference ticket (e.g. breakfast meeting, luncheon meeting, or banquet) will be paid in full and the unit amount deducted from that day's per diem meal expense. If less is spent on one meal, then more may be spent on another, but the day's maximum reimbursement will not exceed \$40. This does not imply that across-the-board \$40 per day will automatically be reimbursed for meals without documentation of reasonably attainable receipts or, if receipts are unavailable, notation of the actual cost of the meal. Where the day's meal expense does not exceed \$40, only the actual cost will be paid.
5. Transportation cost to and from the conference location will be paid by the

Township. This will be common carrier transportation on economy class ticketing. Reasonable transportation from terminal or station to hotel will also be paid. Permission may be granted by the Administrator to use a personal vehicle for transport with reimbursement at the current mileage reimbursement rate or the cost of common carrier transportation, whichever is less. Tolls and parking fees will be reimbursed by the Township where automobile travel is authorized.

6. Reimbursement for expenses will be provided upon submittal of a signed voucher properly documented with reasonably attainable receipts summarized on and attached to a travel expense form and filed WITHIN 30 DAYS AFTER COMPLETION OF THE TRAVEL.
7. An advance of 75% of the estimated costs, including meal and miscellaneous expenses, may be provided upon written request submitted one week in advance of the Township Committee meeting previous to the departure date, so a resolution authorizing the advance can be adopted in accordance with law.

SCHEDULE B

**TOWNSHIP OF BERNARDS
LONG TERM DISABILITY**

The Township shall provide a long term disability program through an insurance carrier to cover employees for other than job-related disabilities extending longer than six (6) months.
